CPSC 9500
(New) PhD Student Seminar

Joshua Levine
levinej@clemson.edu
Seminar 01
Introduction
Aug. 25, 2015
Today’s Agenda

• Introductions

• Course webpage:
  • [http://people.cs.clemson.edu/~levinej/courses/9500/](http://people.cs.clemson.edu/~levinej/courses/9500/)
Goals of this Seminar

• Get you focused on the right goal: research. Specifically: great research

• Make the big picture of doing a PhD clear to you

• Introduce you to the SoC research environment

• Give you a start on the basic skills of research

• Give you tips to enhance your personal PhD experience

• Tell you anything else we think might help you during your PhD
